Foreword

In the past it has been a custom of the Annual Staff to show the old school building on the foreword page.

This year, Tom Bean High School entered a new era of growth and progress, with the beginning of construction of a new High School Building.

It is with great pride that the 1973 Tomcat presents this book to preserve for the future a record of 1973, the year of growth.

Dedication

We, the 1973 Tomcat Staff, affectionately dedicate this yearbook to you, Mrs. Gladys Watkins, for your dedication as a teacher and your untiring efforts to make Tom Bean High School a better place to go to school.

We thank you for each kindness extended to us and for all the knowledge you have imparted to us during the past three years.
